 Inner Wheel Club of Invercargill

---

## Letter from President Dariel Osborne

Dear Inner Wheel Friends

I am happy to let you know that Yvonne is now back home and slowly improving each day and our best wishes also go to Hap who has been unwell. Members will also be pleased to hear I recently visited Wendy and she was in good spirits.

What a wonderful interesting speaker we had at our last Club meeting. Kirk spoke to us about his work at Southland Disabilities Enterprises and educated us on what we can recycle in our yellow bins. He was asked so many questions by members that no one wanted to stop for supper! There are some recycling tips on the last page of this newsletter.

Our Christmas dinner last year was very enjoyable so we will be going back to Paddington Arms again this year on Wednesday, 9 December and partners are welcome, more details will be in our next newsletter. When your Committee member is next in contact with you, could you please give them an indication if you will be attending so that we have an idea of numbers thanks.

Remember that our District Meeting is going to be held in Invercargill this time (so no travelling is required), on Saturday, 28 November starting at 10am at the Lindisfarne Methodist Community Centre. Guest speaker Melissa Vining will be talking to us about the Southland Charity Hospital and we will be going to visit the hospital. We are lucky to have the District Meeting in Invercargill, it is a wonderful way to meet likeminded women from other Clubs in our District. I recommend the day to you so do come along and enjoy the day with us. Our Club will pay your registration and you will be provided with a delicious morning tea and lunch and then afternoon tea at the conclusion of the day.

In friendship

*Dariel*

---

**Club Meetings** - Anyone who would like a ride to our meetings please let your Committee person know when they phone you. Diane is collating the number attending the meeting and can be contacted on 217 6877 or 027 426 8925 if you need to speak to her.

---

**Welfare** - If you know of any member who is experiencing illness or family bereavement, **please let a Committee member know as it is difficult to keep up to date with everyone.** Or if you know of anyone who needs cheering up, please contact Marjorie 217 4601 or 021 0268 3804. We'd love to hear of joyful occasions as well!

---

**Collecting Bread Tags for Charity** - Please continue to collect bread tags for recycling with the proceeds going to buy wheelchairs for adults and children in South Africa. Ask your family and friends to help as well. If you would like to know more have a look at their website: [breadtagsforwheelchairs.co.za](http://breadtagsforwheelchairs.co.za).

## Introducing our new Club Member, Liz Hunter

Thank you for your warm welcome to Inner Wheel Club, Invercargill. My name is Liz Hunter and I'm born and bred in Bluff. I am married to Ross who is a self-employed painter/decorator. We have one adult son, a wonderful daughter-in-law and two little grandchildren who live in Laingholm, Auckland.

My interests include walking, baking, reading, watching British period dramas on TV and meeting up with friends for a chat. I retired from full-time work nearly three years ago, having worked in various administration positions over the years which included shipping, education and health. Occasionally I help out with medical word processing and filing at Mental Health Services.

I look forward to participating in Inner Wheel's activities and making new friends.

Happy Birthday

## November Birthday Best Wishes to:

Hap

1<sup>st</sup>

### The Month of November Trivia

November was named as the ninth month of the Julian calendar. (The Julian calendar was proposed by Julius Caesar and was a reform of the Roman calendar. It was designed with the aid of Greek mathematicians and Greek astronomers such as Sosigenes of Alexandria.) Numerology tells us the sacred number nine focuses on perception and fresh starts, while its modern number eleven, a Master Number, symbolises faith and instinct.

---

### Lolly Cake with Chocolate Mint Flavour (makes approx. 40 slices)

(recipe supplied by Liz Hunter – thank you – some of you may have purchased and enjoyed this cake at our September Sales Table)

- 2 packets chocolate mint biscuits (Arnotts or Griffins)
- 1½ packets super wine biscuits
- 175 gm butter
- 1 tin condensed milk
- 1 packet Eskimo lollies (approx. 16-20 lollies)

1. Crush or whiz chocolate biscuits in food processor until crumbly. Add to large mixing bowl.
2. Crush or whiz wine biscuits in food processor until fine. Add to above mixing bowl.
3. Put butter into large Pyrex jug and microwave 30-40 seconds until liquid. Then add condensed milk and mix together. Pour liquids onto biscuit crumbs, mix together until combined.
4. Cut each Eskimo lolly into 5 pieces, add to biscuit mix.
5. Lay a long sheet (approx. 60cm) of tinfoil on the bench and place large handfuls of mix on top, shaping it into a long 'sausage' shape. Sprinkle with coconut or chocolate hail or chosen sprinkles. Wrap tinfoil securely around the 'sausage' and continue shaping/patting into a uniform shape. Refrigerate for 4-6 hours before removing tinfoil and slicing into desired thicknesses with a heavy, sharp knife. Keep refrigerated.

---

### Did you know?

- The dot over the letter 'i' is called a tittle.
- The microwave was invented after a researcher walked by a radar tube and a chocolate bar melted in his pocket.
- A pregnant goldfish is called a twit.

## Recycling Tips Prior to Putting in Your Yellow Bin

Southland DisAbilities Enterprises has our recycling contract in Southland. All their recycling is processed by hand so there are a few things we can do to make their job a more pleasant.

Please **wash** all plastic bottles and tins and anything that has contained food, otherwise it is very smelly and unhygienic after it has sat in your recycle bin for a few days and sometimes at the recycling depot before being sorted.

**Wash** plastic milk bottles and replace plastic lid or recycle lid separately. If unwashed it is not recycled and is sent to refuge dump.

**Wash** cans. Lids can be placed inside can and can squashed but it is okay if this doesn't happen as long as they are washed. If not washed they are removed and taken to refuge dump.

Glass is better in the **red rubbish bin** as it is unable to be recycled in Southland and although it is collected it is stockpiled at Oreti. Staff do wear protective gloves but broken glass is a big issue when it arrives on conveyor belt and cuts are a problem to their staff.

Don't put things inside plastic bags as the staff don't have time to remove and there is a high chance it will go to the refuge dump.

Don't put clothing or nappies in yellow bin.

### **Premium products to recycle:**

- Paper
- Cardboard
- Clear plastic milk bottles
- Aluminum drink cans

The general rule is if you are unsure whether to recycle don't recycle put **it in your red bin**.
