Xmas Issue - 2020 🎄

Whitcoulls donations to IW Kapiti and Margaret delivering to date 144 Teddy's to Foster Hope indicates that December has arrived, what a wonderful partnership this has been over the years for children and Families/Whanau in need, so let us celebrate together how fortunate we are to be able to contribute by way of these gifts that will be cherished and shared for many years to come. In addition, what a wonderful 40<sup>th</sup> Anniversary celebration we were able to enjoy when so many clubs across the World are still in lockdown and contact for some only via Skype and other mediums. Our December Dinner evening on the 15<sup>th</sup> will give us another opportunity to catchup and share once again what we have been doing over the past few weeks. Margaret Hayward and I will be decorating a Xmas Tree in the Baptist church Te Moana Road Waikanae, as part of their annual display. All will be welcome to come see about 15 beautifully decorated trees lighting up the church. It also gives us an opportunity to be part of the community to show who IW Kapiti is at the same time and promote our Club over the holiday season. For those of you who may not know our delightful lady Beryl, celebrated her 90<sup>th</sup> Birthday at the weekend congratulations Beryl what an awesome day that would have been. I feel the weeks leading up to the holiday session is fast approaching so if you or your Family/Whanau are traveling to other parts of the country or even across Wellington take care on the roads and watch out for those pedestrians who at times seem to come out of know where and surprise us.. most of all enjoy the summer weather about to arrive

*In Friendship as Always .....Shirley*
