Meetings held second Monday evening, 7.30pm, in members' homes.

December 2020

Greetings Roses Far and Wide

Here we are, the final IWC Matamata NZ291 letter for the year.

I have just emailed out my Christmas letter/annual report to family and friends both overseas and in New Zealand and did not mention 'that word' (Covid) once! I think everyone is probably weary of hearing it, anyway!

Our club ended the year with a Christmas lunch and, a week later, embarked on our annual

Christmas Cookie Cheer project. That, as always, was great fun as we baked, bagged and delivered, with love, cookies to those for whom Christmas is not always merry.

We were fortunate to have youth on the team with Manaia Bonnar-Bay (8) happy to help Grammy Gaylene Bay (right) Anne Green left, and Mary Blair bag the baking. I just love delivering the cookies, the smiles on people's faces are so heart-warming and humbling at the same time. This year, my husband helped me deliver and I think it was the most fun he had had that week, although it was only Monday!

I send you Christmas wishes from our members (below) and look forward to keeping in touch with you next year.

Until then, stay safe, stay well and, for those Roses in the Northern Hemisphere, stay warm!

In Inner Wheel Friendship

*Sandra*
