President's Chat – October 2020

It was lovely to see so many of you on Monday at the Plant Barn, Porana Road and also Pam and Julie who were able to join us from East Coast Bays. Thank you for bringing your donations to De Paul House. Please make sure Elsa has your costs for the items so she is able to fill in the Service Sheet. I took all the donations over to De Paul House and they were so grateful. We are planning to have someone from their organisation give a talk at our November meeting and that will give us a clearer idea of how they help homeless families. I am sorry I couldn't stop for the whole coffee morning as Ellie had a playdate at Browns Bay but it was great that we could at last meet and catch up with one another.

This month's meeting will be our Soup and Rolls lunch on behalf of Dementia NZ. District Chairman Rina has agreed to join us, giving us all a chance at last to meet her. We will also be celebrating our 19th Birthday a little late as it should have been in September but better late than never. Looking forward to seeing you all on the 19th October.

Yours in Friendship,
Gwyneth (President)

ALMONER

Jenni reports June is fine; Lesley is slowly recovering; and Laurice has concerns about her spine, and is finding she needs support on walking. Mary H is getting over her infection. Our thoughts are with Sheila on the loss of her husband John.

MEMBERSHIP

Judy is waiting to see how many new members we can expect from the now defunct East Coast Albany Bays club, but we are expecting 6 to come to our October birthday/fundraiser meeting. There are 2 other people interested.

ISO

Elsa reported our knitting for September amounted to 405 hours – well done.

The St Vincent de Paul donations amounted to over \$150.

Below again is the list of required items.

- Toiletries – shampoo, soap
- Toothpaste and toothbrushes
- Sanitary items
- Baby wipes
- Nappies (size 4, 5, 6)
- Tinned fish and tinned corned beef

September Club Meeting

Because of Lockdown it was decided to instead have a coffee meeting at King's Plant Barn, Porana Road. There was an excellent turnout with only a few apologies. It was great to also welcome Pam and Julie, ex members of ECAB.

A vote was taken at the meeting as to which project in International Service we should support. It was decided to send a donation to Kits for Kindys.

We were invited to bring along items for St Vincent de Paul, and below is Gwyneth's car full which she subsequently dropped off. We look forward to our November meeting when we hope to have a speaker from that organisation.
