Presidents Pen September 2020

2020 Has certainly been a challenging year for us all..... sofar. It propels to reflect and draw upon the rules that are set down by the Government -which they have given us, and, so far we are doing well. So let us hope the Medical Science find a cure or deterrent to rid us of **Covid - 19**.

I am looking forward to our International night on 23rd September. I am privileged to have a Life Style Village Community Centre for use as our International Night. Six boys from Marlborough Boys College are going to play instrumental music. The second speaker is Margaret Western who worked with Marlborough Multi Cultural Centre which was established in 2007. The Migrant Centre played pivotal role in helping people arriving in the region. This year she was awarded Queen's Service Medal. We are going to have international finger food for supper.

Looking forward to our International night.

Quote for the Day.....

"Making everyone happy is not in our hands, but being happy with everyone is definitely in our own hands".

The 2nd photo is our Gwen sharing a lovely conversation with the speaker on Cancer.

Earlier this month Inner Wheel & Rotary shared a night together at the "Little Theatre" seeing the production of Boeing Boeing.....The laughter was heard well outside the complex and along with being seated further apart due to The Covid-19 did not spoil the atmosphere . The actors were all very well suited to their parts.....making us all enjoying our evening.

Well done to all involved in this production. We are privileged here in Blenheim.

This was our AGM followed by members and guest giving the meaning to their Christian name.

Thereafter was a most honest and fulfilling account of District Chairman's Judy's life . She has done and taken part in various stages of family and business enterprises using her initiative and gumption along the way. This in-captured all members to listen. Followed by the hostesses for the evening Gerardine and Tricia showing their bakers skills ***** I have them marked for any important occasion!!

Bernadette - Big Thanks again for all your hard work in organizing Daffodil Day

September Birthdays

Judy Grey 23rd

Gwen and Minna attended an afternoon tea at President Chandrima's home where they enjoyed the pleasures of Chandrima's cooking along with a "Good old blether." President Chandrima would like to encourage members to do this with our Older Members.

Jude is comfortable in Aberleigh with Welly seeing her every day. She was bright and chatty when Jacqueline visited and quite happy when she left with the promise to come again. Welly had premium blooms on show at the Redwoodtown Daffodil Show this past weekend, and came away with the champion bloom for the day: top table honours ! That lifted his spirit !

Next Committee Meeting is 7th October time 4.00 to be held at Chandrima's home @ 63/5 Battys Road.
