## Message from our President

*Great to have the sun shining upon us this afternoon, though we did appreciate the rain that refreshed the city. Lovely to have visitors from out of town comment on how good Christchurch is looking.*

*We have a busy time ahead with our major fundraiser Bookarama later in the month. Some of our members are already sorting books, delivering advertising, a huge Thanks in advance to all who are assisting with catering, it's always fun and great fellowship to work together.*

*The Committee feel we should distribute some of our funds before Christmas, Foster Hope (Christmas treats) Woman's Refuge and YMCA. We would appreciate the members opinions on this at the November meeting.*

*Thanks to Shirley who has agreed to chair the November meeting as I have a pre NZ Cup function.*

*Look forward to seeing you all at Bookarama.*

Kathy

### Next Coffee/Tea Get-together

For catering purposes an indication of numbers would be appreciated thanks.

We had a very enjoyable Coffee/Tea Get-together on Friday 30<sup>th</sup> at the Edge Café in Edgware. Lovely food and a good number of us attended as can be seen in the attached photo. It was a delight to see Anne Johns and Joy Coster joining us as well.

Christine Spiers-O'Hara send this to me today following her collection for Pink Ribbgon at New World, Rolleston on Saturday. Well done Christine.

Hope that is everything and see you on Monday 9<sup>th</sup> at 7.30pm.
