### NOVEMBER 2020

Although I didn't attend the NZ291 District Meeting on Saturday, I believe the day went well and we had a few sales at the Mini-market stall.

It was very interesting to hear from Jo Waugh last month. Jo was the first registered woman surveyor in New Zealand. She travelled in a NZ Supporters Group to observe "Missions without Borders" work in Eastern Europe working with disabled children and spoke of another visit to Tanzania.

I often wonder where the world would be without volunteers!!

#### **Next meeting Tuesday 10 November, 7.30pm at Carolyn's, 6 Burleigh Place, Bramley**

We have decided to have a casual social meeting titled "Getting to Know You". We have a few new members in our club and it would be a good opportunity for everyone to get to know a bit more about each other. Suggestions are – where did you grow up/go to school; what did you do for your first job/did you change direction in your working life; family; social interests or activities.

Please bring items for the Foodbank – they always need our support.

#### **Friday 20 November – Coffee morning at 10.30am at Chartwell**

For a change we will meet at Robert Harris café at the opposite end of Chartwell Square. Next year we might try different venues from time to time.

#### **Tuesday, 8 December – Christmas lunch at Woodlands Café 12 for 12.15pm**

The savoury/sweet finger food menu is on the next page. The cost is \$23 with drinks extra. We will also repeat last year's very successful gift exchange. A wrapped gift to the value of approx. \$5 would be appreciated. At our meeting on Tuesday we will need an indication of who is attending as Woodlands needs numbers and payment by 24 November.

#### **Sunday 10 January – IIW Day - BBQ at Carole's with partners from 6pm. More details next month.**

Best wishes to Heather who is undergoing an operation on her foot/ankle this month. Our thoughts are also with others who may be struggling with health problems.

Best wishes
