From President Shirley

SPECIAL October Issue - 2020

Well ladies the long-awaited moment has arrived IW KAPITI Club's 40th anniversary celebrations scheduled for the 31st of October 2020 is ON!!!!  we have received 56 acceptances and although this is a smaller number than first anticipated it includes members from five other clubs around the region supporting the decision to make this a memorable occasion for us all. Some of our own club members are unable to attend due to prior commitments but their best wishes for a successful evening has been passed on. So, bring out your best Bib and Tucker to celebrate a great club that continues to strive for friendship fellowship and service to others.

Our new Banner thanks to the \$200.00 donation from District has had its first draft and Vera and I ran a promotion stall at Waikanae last Tuesday 6th October. We had several ladies stop, giving us the opportunity to promote the club and take away brochures and contact details. Glenys and I will get together to write a piece for 'neighbourly.co.nz' Glenys is the techno I am just the lady behind the scenes. Our wonderful Editor Gill will fill you in on the rest so until we meet again keep warm well and safe.

In FriendshipShirley

(A big Thank You to the Planning committee to make this happen – Ed)

Our next Club meeting will be our Christmas meeting in December

To all ladies celebrating a Birthday in November and December!
