September Issue - 2020

From President Shirley

Its been a bleak day out there. Your Exec Committee met on the 2nd September and we discussed at length how the Covid-19 situation affects us all differently.

Out of this came a recommendation as to how we as your committee can support and hopefully make a positive difference. Every now and again you will receive a phone call from a committee member to say hi and to ensure we are all keeping in touch with each other regularly. Plus a new promotional flag is on the horizon funded out of the \$200 generously given to all clubs within the 294 District for promotion. Some of this money has also been set aside to subsidize the cost of dinner for new potential members by \$10.00 per person.

To support promotion of our club I am looking to run a fortnightly stall in the Waikanae shopping Arcade hopefully starting Tuesday week. We can sell articles on the stall to help our fundraising activities along with our promotional material. Also, there will be a new member promotion on 'neighbourly.co.nz'

Our guest speaker at our September Dinner Meeting is Tim Costley. You may have heard of Tim, one of the local candidates in this year's Election, but he will be talking to us about his career in the Air Force and his Tour of duty with the Duke & Duchess of Cambridge on their visit to Aotearoa.

Kapiti IW will celebrate our 40TH Anniversary on the 31st of October 2020, and I am looking for six ladies to take part in a walk on walk off cameo part, your demure looks and upstage antics are what is called for to bring laughter and fun to what we hope will be a memorable evening.

Thanks to Glenys Turchie who has agreed to take on the role of Secretary for 2021/22 and Gill Mackersy who has agreed to continue as Editor for 2021/22. As you all know it has not been easy to fill some of our delegate roles within the Committee, so I applaud these ladies for their commitment and support of IW Kapiti. We are currently looking for someone to step into the role of Vice President if you think this is your opportunity please do not be shy in coming forward.

IWNZ Day (1st September) was celebrated on the 4th September with 11 ladies who enjoyed a walk then lunch at the Sunday Cantina in Raumati South

Keep warm safe and well out there - IN FRIENDSHIP AS ALWAYS..... *Shirley*
