From This Month's President

Hello Ladies,

Well, I can't believe there is only a month until Christmas and we will soon be halfway through our Inner Wheel year. Last month our speaker was District Chairman, Carol Woodfield, who talked about all things Inner Wheel and encouraged us to actively seek new members. We are doing well on that front and have had guests at every meeting. However, we are still struggling to get office holders. Our election of officers is in February and I encourage you all to think about serving the club on the committee. We only meet once a month, and none of the roles are particularly time-consuming. The best part of being on the committee is getting to know other club members more intimately. Our meetings are fun and the duties are light. It would be great to have volunteers for President and Secretary Judi would love to have a chat with anyone wanting to know more.

Six of us attended the Inner Wheel NZ294 District meeting in Palmerston North a couple of weeks ago, where all of the clubs brought their donations for Kits for Kindys. There was an astounding amount of donated goods, which we all packed up into boxes ready to send to Vanuatu. It was a great day of fun and fellowship. If you have never been to a district meeting, I would encourage you to come to the next one. I look forward to seeing you all at the Christmas lunch at Luanne's on Saturday.

Yours in friendship,

Anne Joyce, November President.

Birthday Wishes to:

November

Upper Hutt's Contribution to 'Kits for Kindies'

Shirley Peters, Anne Joyce, Margaret Donaldson, Judi Newborn, Ethel Gray and Lynne Picard with the Twenty-two boxes packed at the District Meeting.

Parting Thought: Friend – such a simple word for one of the great necessities of life.

From the Editor: If you have any photos or would like to take some on Saturday, see .attached information about a photo competition. You have until December 4 to enter. For those new to the club our Box, Bottle or Bag auction is a fun event where we all bring along an attractively presented box, bottle or bag with whatever you choose to put in it; it could be something from your garden or a treasure you have found. You do not need to spend a lot of money. The value is in the presentation. Make everyone want to bid for it! Partners and friends/relatives are invited.
Yours in friendship, Margaret Donaldson, Editor.
