

## Sponsorship Proposal

Inner Wheel New Zealand is part of a worldwide organisation that is one of the largest voluntary women's service organisations in the world, active in more than 100 countries with over 104,000 members in nearly 4,000 Clubs.

Within NZ, Inner Wheel Inc, has Charitable Status and is active in 5 Districts with over 50 clubs reaching from Southland to Northland and offshore clubs in New Caledonia and Fiji.

Inner Wheel was founded in 1924 as a club for women who were wives of Rotarians and has been active in NZ for over 80 years with around 1500 active members.

Inner Wheel members are dedicated to helping others and share a mission in 2018-19 to Empower and Evolve as they step up, step out, step forward as women in action serving our communities with passion and commitment. The underlying objective of Inner Wheel are – service, friendship and International Understanding.

Personal service is a top priority and members find many ways to carry out projects in their local communities. They provide help in hospitals, hospices, care homes, schools, entertain the elderly and lonely and offer help to needy children and the disabled.

Inner Wheel Members throughout NZ provide many hours of volunteer service and activities in their local communities to help create happier lives and better futures for others and annually assist over 60 charities across the country.

IWNZ also take part in supporting their chosen National Project to assist Look Good Feel Better. The relationship with LGFB has seen numerous members offering many volunteer hours to assist directly in the Feel Better Class programme.

IWNZ Inc host a biennial conference where members meet, take part in business sessions, inspirational speakers, training and share ideas as well as socialise and reconnect with members from across NZ and overseas. This conference gives our members the opportunity to reconnect and for their actions to be shared and celebrated. We self-fund all our work so your show of support will help us to ensure more members are able to meet together in Auckland in May 2019 by helping to keep the cost to attend the conference to a minimum.
