

Dear Margaret and the members at Inner Wheel Club of Orewa and Whangaparaoa,

On behalf of everyone here at Ronald McDonald House Charities<sup>®</sup> (RMHC) New Zealand thank you so much for your on-going support and for generously donating Christmas gifts and food.

We are blown away by your support and wouldn't be able to do it without the help of supporters like you. Having Christmas gifts and food will make the House a home-away-from-home during the festive Christmas season. Last year, Ronald McDonald House Charities supported over 3,700 families like the Shurys from Taranaki who stayed at Ronald McDonald House while their baby girls Evelyn and Eloise received treatment in hospital.

Taking care of New Zealand's families is a collective effort - we simply couldn't do it without the kindness and generosity of supporters like you.

Best wishes,  
Christie
