

I am the teacher of Room 3 (years 0 to 3) at Tinui school and the children and I would very much like to thank you for your kind donation that enabled us to go on a day trip to **The Museum of New Zealand Te Papa Tongarewa** last term.

A total of 21 children, teachers and parents benefited from this kind contribution from your organisation.

The children had a wonderful day in Wellington and were well looked after by the staff members at Te Papa.

They all came away with a renewed interest in our topic as well as adding to their kete of knowledge, and I was very pleased to hear that many whanau are now planning a return trip to the museum to have a longer look around at the other exhibits, many of which we were unable to see due to time constraints.

Our school suffered immensely in the recent flooding as a result of Cyclone Gabrielle, we truly needed a pick-me-up and the visit to the museum gave a much-needed boost to our children, who are still talking about the trip today. Thank you so much.
